

April 6, 2020

Good afternoon!

I'm getting some questions from Parishes asking what actually makes up the revenue stream for a Parish. The simplest way to look at this is any funds coming in that benefit the Parish, this will include the following –

- Offerings
- Donations
- Rental Income
- Fundraising (specifically for the Parish, i.e. new furnace, roof etc.)
- Flower fund
- Legacy fund (when funds are used for the Parish)
- Tim fund
- Investment income interest.

Exempt from Revenue would be the following

- Outreach fund
- PWRDF
- Funds withdrawn from your investment income account.

I hope this makes it all a little clearer.

Thank you and take care.

Teresa
